# **Independent Auditors' Report**

To the Board of Directors
The New York Society of Security Analysts, Inc.

We have audited the accompanying statements of financial position of The New York Society of Security Analysts, Inc. (the "Society") as of August 31, 2010 and August 31, 2009 and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Society's management. Our responsibility is to express an opinion on those financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The New York Society of Security Analysts, Inc. at August 31, 2010 and August 31, 2009 and the results of its activities and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Cooler O'Man Midtig & Doubly LLP

## Notes to Financial Statements August 31, 2010 and August 31, 2009

#### Note 1 – Nature of organization

The New York Society of Security Analysts, Inc. (the "Society") is a not-for-profit, educational organization whose mission is to serve investment industry professionals and the investing public. The Society is committed to the promotion of best practices and the highest professional and ethical standards in the investment industry. The Society also strives to assist our members and other financial professionals in their investment industry career development. The Society generates revenue from three primary sources: (1) membership dues; (2) educational seminars (the largest seminar producer of income is Chartered Financial Analysts classes); and (3) meetings and events whereby corporations pay a sponsorship fee.

# Note 2 - Summary of significant accounting policies

#### Net assets

#### Unrestricted

#### Operating Fund

Net assets that are not subject to donor-imposed stipulations and that may be expendable for any purpose in performing the primary objectives of the Society are considered unrestricted in nature.

#### **Building Fund**

The Society maintains a building fund to provide for the eventual replacement or improvement of the Society's facility. Any interest earned or unrealized gain or loss on the assets is credited to or deducted from the building fund balance. During fiscal 2010, the Society transferred \$3,038,778 from the Building Fund to the Operating Fund, to replenish the Operating Fund for construction expenditures made in connection with the build-out of the new facility (see notes 5 and 11). During fiscal 2010, the Society transferred \$900,000 from the Operating Fund to the Building Fund (see note 11).

#### **Initiatives Fund**

During 2008, the Society's Board of Directors established a fund in the amount of \$300,000. The Board has determined that such funds shall be segregated and only be utilized for initiatives, to be pre-approved by the Board.

#### Temporarily restricted

Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Society and/or the passage of time are considered temporarily restricted. As the restrictions are satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying financial statements as net assets released from restrictions.

# Notes to Financial Statements (continued) August 31, 2010 and August 31, 2009

#### Note 2 – Summary of significant accounting policies (continued)

#### Cash equivalents

The Society considers highly liquid investments with original maturities of 90 days or less to be cash equivalents. Included in cash equivalents are money market funds, U.S. Governmental Securities mutual funds and a certificate of deposit.

#### Allowance for doubtful accounts

The Society has an allowance of \$6,000 for accounts receivable that may not be collectible. Such estimate is based on management's experience, the aging of the receivables, subsequent receipts and current economic conditions.

# Furniture, fixtures, equipment and leasehold improvements

Furniture, fixtures and equipment are depreciated on the straight-line method over the estimated useful lives of the assets ranging from three to seven years. Leasehold improvements are amortized over the life of the lease.

#### Fair value measurements

Fair value measurements establish a hierarchy that prioritizes the inputs used to measure fair value into three broad levels. The Society's investments are measured using Level 1 inputs, which are defined as quoted prices in active markets for identical assets that the reporting entity has the ability to access at the measurement date.

#### Membership dues

Membership dues are recognized as revenue in the applicable membership period, which is from June 1<sup>st</sup> to May 31<sup>st</sup> each year. Consistent with past practice, it is the Society's policy to record the remainder of the anticipated members' annual dues as accounts receivable and unearned dues revenue as of August 31<sup>st</sup> each year.

#### Investment income

Investment income consists of interest income and is recorded to unrestricted net assets and temporarily restricted net assets.

# Notes to Financial Statements (continued) August 31, 2010 and August 31, 2009

#### Note 2 – Summary of significant accounting policies (continued)

## Functional expenses

The cost of providing the various programs and other activities has been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

#### Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect amounts reported in the financial statements. Actual results could differ from these estimates.

#### Concentrations of credit risk

The Society's financial instruments that are potentially exposed to concentrations of credit risk consist of cash and cash equivalents and accounts receivable. The Society places its cash and cash equivalents with what it believes to be quality financial institutions. At times, the balances in the Society's cash and certain cash equivalents may be in excess of FDIC insurance limits. However, the Society has not experienced any losses in such accounts to date. The Society routinely assesses the financial strength of its cash and cash equivalents. As a consequence, concentrations of credit risk are limited. Accounts receivable consists primarily of amounts due from a number of individuals and corporations for membership dues and Society conferences.

#### Subsequent events

The Society has evaluated events and transactions for potential recognition or disclosure through November 22, 2010, which is the date the financial statements were available to be issued.

# Notes to Financial Statements (continued) August 31, 2010 and August 31, 2009

# Notes to Financial Statements (continued) August 31, 2010 and August 31, 2009

#### Note 4 - Furniture, fixtures, equipment and leasehold improvements

The following is a summary of the furniture, fixtures, equipment and leasehold improvements as of August 31, 2010 and August 31, 2009:

	2010	2009
Furniture, fixtures and equipment Leasehold improvements	\$ 785,658 2,879,030	\$ 317,223 325,726
Other Sub-Total	3,664,688	26,530 669,479
Less: accumulated depreciation and amortization	209,123	307,960
Total furniture, fixtures, equipment and leasehold improvements	<u>\$3,455,565</u>	<u>\$ 361,519</u>

During 2010, the Society wrote off fully depreciated assets of \$441,872.

# Note 5 - Commitments

During August 2005, the Society entered into an agreement to sublease office and conference space, commencing in December 2005 and expiring on December 30, 2009. The sublease required monthly lease payments of \$50,097 plus the Society's proportionate share of certain operating expenses of the sub-landlord as defined in the sublease agreement. Rent expense totaled \$1,096,736 and \$603,505 for the 2010 and 2009 fiscal years, respectively.

In connection with the above sublease, the Society delivered to the sub-landlord a letter of credit in the amount of \$200,387 as security for the sublease agreement. In connection with the letter of credit, the Society established a separate bank account in the amount of the letter of credit, as required by the lease. Such letter of credit was canceled by the bank, after the Society vacated the premises and the landlord released the Society from such contingent obligation.

During August 2009, the Society entered into an agreement to lease office and conference space, commencing August 2009 for a term of 16 years through August 2025 with an option to renew for an additional 5-year period. The lease requires monthly lease payments commencing in August 2010 of \$68,524 plus utilities and a proportionate share of certain operating expenses of the landlord as defined in the lease agreement.

# Notes to Financial Statements (continued) August 31, 2010 and August 31, 2009

#### Note 5 – Commitments (continued)

The future minimum lease payments would be as follows:

Fiscal Year		*	
2011		\$	822,288
2012			822,288
2013			822,288
2014			822,288
2015			843,702
Thereafter			,446,334
	Total	<u>\$13</u>	,579,188

As part of the lease agreement, the Society received 11 months of free rent. The Society amortizes rent expense each year equally over the term of the lease. The difference between rent expense recorded in this manner and the actual cash paid per the lease agreement is included in the deferred lease incentive. The Society also received a build-out allowance of \$1,018,790 in June 2010. The Society has included the build-out allowance in the deferred lease incentive and is amortizing the amount over the term of the lease.

In connection with the above lease, the Society delivered to the landlord a letter of credit in the amount of \$204,732 as security for the lease agreement. In connection with the letter of credit, the Society established a separate bank account in the amount of the letter of credit, as required by the lease.

In connection with the above lease, the Society entered into several agreements to facilitate the build-out of the new space, including an architect, real estate consulting firm and construction general contractor. The construction commenced in September 2009 and concluded in January 2010. As of August 31, 2010 the Society had completely paid such vendors for their services in full, with the exception of the construction general contractor, from whom the Society withheld \$50,000, pending the satisfactory completion of items to be repaired pursuant to the one-year construction warranty.

In addition to the rental of office space, the Society rents space on an as needed basis for its educational programs. Rental expense for the years ended August 31, 2010 and August 31, 2009 totaled \$34,500 and \$66,380, respectively.

In September 2010, the Society entered into an employment agreement with a key employee through October 2013, subject to certain termination provisions.

# Notes to Financial Statements (continued) August 31, 2010 and August 31, 2009

#### Note 6 – Temporarily restricted net assets

In 1996, the Society established the Heloise S. Ham Educational Scholarship Fund (the "Fund") from a pledge received from the family of Heloise S. Ham to endow a scholarship program and recorded it as temporarily restricted. On an ongoing basis, the Fund is funded by contributions from the family of Heloise S. Ham and income from the Fund assets and contributions from Society members. The scholarships are available to undergraduate students who are enrolled full-time in a college or university in the greater New York area and who have completed at least their sophomore year by the time the program begins in the summer.

The students must also demonstrate academic excellence and have an interest in the securities profession. Because these funds can only be used for scholarship purposes, the assets of the fund are considered temporarily restricted.

During 2010 and 2009, the Society did not receive any additional funds towards maintenance of an archive to benefit value-investing research. The fund is recorded as temporarily restricted.

The following is a summary of the activity of the temporarily restricted net assets for the year ended August 31, 2010:

	Balance, Beginning of Year	Additions	Net Assets Released	Balance, End of Year
Scholarship fund	\$ 264,640	\$ 11,970	\$ (150)	\$ 276,460
Value investing archive	<u>96,867</u>		<u> </u>	96,867
Total	\$ 361,507	<u>\$ 11,970</u>	\$ (150)	\$ 373,327

## Note 7 - Retirement plans

The Society maintained a defined contribution plan (the "Plan") pursuant to Internal Revenue Code Section 403(b), for all eligible employees who had completed ½-year of service. Employees vested in the Plan 20% each year over five years, beginning in year two.

The Internal Revenue Service instituted new regulations for all 403(b) plans, effective January 1, 2009. In order to comply with such new regulations, the Society amended its 403(b) Plan and combined it with its Profit Sharing Plan to form a new 401(k) Profit Sharing Plan. The amended Plan became effective on April 16, 2009 and includes a 3% Safe Harbor employer contribution. Any employer discretionary contributions in excess of the Safe Harbor contribution are determined annually by the Society's Board of Directors. The Safe Harbor contributions are 100% vested and any additional discretionary contributions vest over the same schedule as the aforementioned 403(b) Plan.

# Notes to Financial Statements (continued) August 31, 2010 and August 31, 2009

## Note 7 - Retirement plans (continued)

For the Plan year ended June 30, 2009, the Society's Board of Directors voted to contribute 5% of each eligible employee's base wage earned through April 15, 2009 and 2% of each eligible employee's base wage earned from April 16, 2009 through June 30, 2009, to the Plan, respectively.

The Society elected to change the Plan year-end to August 31 to conform to the Society's fiscal year-end. To facilitate this change, there was a short Plan year beginning July 1, 2009 and ending August 31, 2009. For this short Plan year, the Society's Board of Directors voted to contribute 2% of each eligible employee's base wage earned to the Plan, in addition to the 3% Safe Harbor contributions made. For the Plan year ended August 31, 2010, the Society's Board of Directors voted to contribute 0% of each eligible employee's base wage earned to the Plan, in addition to the 3% Safe Harbor contributions made.

The total pension plan expense amounted to \$59,754 for the year ended August 31, 2010. The total pension plan expense amounted to \$42,681, net of \$54,449 in forfeitures for the year ended August 31, 2009.

## Note 8 - Net assets released from restrictions

Net assets were released from donor restrictions by incurring expenses that satisfied the restricted purposes specified by donors as follows for the years ended August 31, 2010 and August 31, 2009:

	 2010	2009		
Purpose restriction accomplished:				
Scholarships	\$ _	\$	10,000	
Bank service charges	 150		150	
Total	\$ 150	\$	10,150	

#### Note 9 – Legal claims

As of August 31, 2010, management of the Society is unaware of any material legal claims or threatened litigation against the Society. While claims may arise from time to time in the ordinary course of business, such claims would not in the opinion of management have a material effect on the Society's financial statements.

# Notes to Financial Statements (continued) August 31, 2010 and August 31, 2009

#### Note 10 - Tax status

The Society is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the "Code"). In addition, the Society has been determined by the Internal Revenue Service to be a publicly supported organization, and not a private foundation, within the meaning of Section 509(a)(2) of the Code. As of August 31, 2010, no amounts have been recognized for any uncertain income tax positions. The Society's tax returns for the fiscal years 2007 and forward are subject to the usual review by the appropriate taxing authorities.

#### Note 11 - Unrestricted net assets

The following is a summary of the activity of the unrestricted operating and board designated – Building Fund and Initiatives Fund for the years ended August 31, 2010 and August 31, 2009:

	Unrestricted						
	Operating	Building	Initiatives				
	<u>Fund</u>	<u>Fund</u>	Fund	Total			
Balance, at August 31, 2008	<b>\$ 248,483</b>	<u>\$ 5,525,175</u>	\$ 300,000	\$ 6,073,658
